GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibröo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per pooras.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagari character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years : and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant

stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,

Secretary.

Fort William, January 26, 1847.

2d. The Indents should shew the Balance in hand at those dates respectively.

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No. 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibröo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per pooras.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

M. of Tuesday the 6th of April 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Cer-

tificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

Produce of Behar Agency, ...	Chests 1,690
Ditto of Benares ditto, ...	„ 715

Total Chests, ... 2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the

purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of March 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th March 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 p. m. of Tuesday the 6th of April 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium,

is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper: provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertized for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that

may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagiri character.

2. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years : and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D.,
Secretary.

Fort William, January 26, 1847.

Produce of Behar Agency, ...	Chests	1,690
Ditto of Benares ditto, ...	"	715

Total Chests, ... 2,405

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of March 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th March 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt

will be accepted in payment after 4 P. M. of Tuesday the 6th of April 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below :

GOVERNMENT TEA PLANTATIONS IN ASSAM.

In consequence of the operations of the Government Experimental Tea Culture in Assam being about to be brought to a close, as notified in the Government Gazette No 26, of the 1st April 1846, Tenders will be received at this Office for the purchase of the undermentioned Government Tea Barrees, together with Buildings, Manufacturing Implements, Tools, Stores, &c., attached thereto.

These Barrees have abundance of land fit for the growth of the Tea Plant in the vicinity, and admit of being greatly extended; they are situated within about 16 miles of the Sudder Station of the District, Dibrroo Ghur, where there is a small temporary Bungalow belonging to the Concern. A good Road is now in progress through Muttuck, which will pass within a few hundred yards of the Dinjoy Barree, and this Road will be completed in the course of next cold season: the accompanying Sketch* will show the relative position of the Barrees.

To persons desirous of engaging in the Cultivation of Sugar Cane, in conjunction with that of the Tea Plant, these Barrees would be found particularly advantageous, as there is much fine fresh land in the vicinity of Dinjoy and Chubwa, well suited for the growth of the Cane, and which may be rented, to the extent required, from time to time, for cultivation: the present rent of such land, when actually taken up, being only 8 annas per poora.

With the Establishment at present attached to the Barrees, the purchaser would have to make his own arrangements; the Members, generally, are well acquainted with the process of the preparation of the Tea, in all its branches, and, if well superintended, would be equal to the duties of a greatly extended concern.

*Fort William, Home Department, the 16th
March, 1847.*

NOTIFICATION.—Mr. W. H. Benson, of the Civil Service, reported his return from England on the 15th instant. The President in Council is pleased to re-attach that Gentleman to the North Western Provinces.

G. A. BUSHBY,
Secy. to the Govt. of India.

Act No. — of 1847.

An Act for amending Act XXX. of 1836.

It is hereby enacted, that within the Territories subject to the Government of the East India Company whenever any Court not included under the provisions of Act XXIV. of 1843, shall sentence any offender to imprisonment for life under the provisions of Act XXX. of 1836, it shall at the same time sentence such offender to transportation beyond sea for life, unless there should be special reasons inducing the Court to think such prisoner not a proper subject for transportation, which special reasons the Court is hereby directed to record.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 13th day of June next.

G. A. BUSHBY, *Secy. to the Govt. of India.*

*Fort William, Home Department, Legislative,
the 13th March 1847.*

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847.

Act No. — of 1847:

An Act for the encouragement of learning in the Territories subject to the Government of the East India Company, by defining and providing for the enforcement of the right called Copyright therein.

Whereas doubts may exist whether the right called Copyright can be enforced by the Common Law of England in those parts of the Territories

subject to the Government of the East India Company into which the Common Law of England has been introduced:

And whereas doubts may exist whether the said right can be enforced by virtue of the principles of equity and good conscience in the other parts of the Territories subject to the Government of the East India Company:

And whereas for the encouragement of learning it is desirable that the existence of the said right should be placed beyond doubt, and that the said right should be made capable of easy enforcement in every part of the said Territories:

And whereas it is doubtful whether the Act of Parliament 5 and 6 Victoria C. 45, entitled "*an Act to amend the Law of Copyright*," although such Act extend to every part of the British Dominions, has made appropriate and sufficient provision for the enforcement in every part of the said Territories subject to the Government of the East India Company of the said right by proprietors thereof: and whether the said Act of Parliament has made provision for the enforcement of the said right by or against any persons not being subject to the jurisdiction of the Courts established by Her Majesty's Charter.

I. It is therefore hereby enacted, that the Copyright in every book published in the life time of its author within the said Territories after the passing of the Act of Parliament 3 and 4 Wm. 4 C. 86, entitled "*an Act for effecting an arrangement with the East India Company and for the better government of His Majesty's Indian Territories till the 30th day of April 1854*," shall endure for the natural life of such author, and for the further term of seven years commencing at the time of his death and shall be the property of such Author and his Assigns: Provided always, that if the said term of seven years shall expire before the end of forty-two years from the publication of such book, the Copyright shall in that case endure for such period of forty-two years; and that the Copyright in every book which shall be published after the death of its Author shall endure for the term of forty-two years from the first publication thereof and shall be the property of the proprietor of the Author's manuscript from which such book shall be first published, and his Assigns.

II. And whereas it is expedient to provide against the suppression of books of importance to the public: It is enacted that it shall be lawful for the Governor General in Council on complaints made to them that the proprietor of the Copyright

in any book published after the passing of this Act within the said Territories, has after the death of its Author refused to republish or to allow the republication of the same, and that by reason of such refusal such book may be withheld from the public, to grant a licence to such complainant to publish such book in such manner and subject to such conditions as they may think fit, and it shall be lawful for such complainant to publish such book according to such licence.

III. And it is hereby enacted, that a Book of Registry wherein may be registered as hereinafter enacted the proprietorship in the Copyright of books and assignments thereof, and licences affecting such Copyright, shall be kept in the office of the Secretary to the Government of India for the Home Department, and shall at all convenient times be open to the inspection of any person on payment of for every entry which shall be searched for or inspected in the said book, and that such Officer shall whenever thereunto reasonably required, give a copy of any entry in such book certified under his hand, to any person requiring the same on payment to him of the sum of and such copies so certified shall be received in evidence in all Courts and in all summary proceedings, and shall be *prima facie* proof of the proprietorship or assignment of Copyright or licence as therein expressed, but subject to be rebutted by other evidence.

IV. And it is enacted, that if any person shall wilfully make or cause to be made any false entry in the Registry Book aforesaid, or shall wilfully produce, or cause to be tendered in evidence any paper falsely purporting to be a copy of any entry in the said book, he shall be guilty of an indictable misdemeanour, and shall be punished accordingly.

V. And it is enacted, that after the passing of this Act it shall be lawful for the proprietor of Copyright in any book published, after the passing of the said Act of Parliament 3 and 4 Wm. 4 C. 85 to make entry in the Registry Book of the title of such book, the time of the first publication, and the name and place of abode of the publisher thereof, and the name and place of abode of the proprietor of the Copyright of the said book, or of any portion of such Copyright in the form in that behalf given in the Schedule to this Act annexed upon payment of the sum of to

and that it shall be lawful for every such registered proprietor to assign his interest or any portion of his interest therein, by making entry in the said Book of Registry of such assignment, and of the name and place of abode of the Assignee thereof in the form given in that behalf in the said Schedule on payment of the like sum; and such assignment so entered shall be effectual in Law to all intents and purposes whatsoever without being subject to any stamp or duty, and shall be of the same force and effect as if such assignment had been made by Deed.

VI. And it is enacted, that if any person shall deem himself aggrieved by any entry made under colour of this Act in the said Book of Registry, it shall be lawful for such person to apply by motion to the Supreme Court of Calcutta in term time, or to apply by Summons to any Judge of such Court in vacation for an order that such entry may be expunged or varied, and that upon any such application by motion or Summons to the said Court, or to a Judge as aforesaid, such

Court or Judge shall make such order for expunging, varying or confirming such entry either with or without costs, as to such Court or Judge shall seem just, and the said Secretary shall on the production to him of any such order for expunging or varying any such entry, expunge or vary the same according to the requisitions of such order.

VII. And it is enacted, that if any person shall after the passing of this Act print or cause to be printed either for sale or exportation, any book in which there shall be subsisting Copyright without the consent in writing of the proprietor thereof, or shall have in his possession for sale or hire any such book so unlawfully printed without such consent as aforesaid, such offender if he shall have so offended within the local limits of any of the Courts of Judicature established by Her Majesty's Charter, shall be liable to a special action on the case in such Court, and if he shall have so offended in any other part of the Territories subject to the Government of the East India Company to a suit in the Zillah Court within the jurisdiction of which he shall have so offended, which shall and may be prosecuted in the same manner in which any other action of damages may be brought and prosecuted there, and if he shall so offend in any such last mentioned part of the Territories subject to the Government of the East India Company in which there is no Zillah Court, to a suit in the highest local Court exercising original Civil jurisdiction in such part of the said Territories.

VIII. And it is hereby enacted, that after the passing of this Act in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter under the provisions of this Act, against any person for printing any such book for sale, hire or exportation, or for selling publishing or exposing to sale or hire, or causing to be sold, published or exposed to sale or hire, or for having in his possession for sale or hire any such book so unlawfully printed, the defendant on pleading thereto shall give to the plaintiff a notice in writing of any objections on which he means to rely on the trial of such action, and if the nature of his defence be that the plaintiff in such action was not the author or first publisher of the book in which he shall by such action claim Copyright, or is not the proprietor of the Copyright therein, or that some other person than the plaintiff was the author or first publisher of such book, or is the proprietor of the Copyright therein, then the defendant shall specify in such notice the name of the person who he alleges to have been the author or first publisher of such book, or the proprietor of the Copyright therein, together with the title of such book, and the time when and the place where such book was first published, otherwise the defendant in such action shall not at the trial or hearing of such action be allowed to give any evidence that the plaintiff in such action was not the author or first publisher of the book in which he claims such Copyright as aforesaid, or that he was not the proprietor of the Copyright therein, and at such trial, or hearing no other objection shall be allowed to be made on behalf of such defendant than the objections stated in such notice, or that any other person was the author or first publisher of such book, or the proprietor of the Copyright therein than the person specified in such notice, or give in evidence in support of his defence any other book than one substantially corresponding in title, time and place of publication with the title, time and place specified in such notice.

IX. And it is hereby enacted, that after the passing of this Act in any such suit or action as last aforesaid brought in any Zillah Court or other local Court as aforesaid the defendant shall state in his answer all the matters which by the last preceding section the defendant in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter is required to give notice of in writing.

X. And it is hereby enacted, that when any publisher or other person shall within the said Territories before or at the time of the passing of this Act but after the passing of the said Act of Parliament 3 and 4 Wm. 4 C. 85 have projected, conducted and carried on, or shall hereafter project, conduct or carry on, or be the proprietor of any Encyclopædia, Review, Magazine, Periodical work or work published in a series of Books or parts, or any book whatsoever, and shall have employed or shall employ any persons to compose the same, or any Volumes, Parts, Essays, Articles, or portions thereof for publication in, or as part of the same, and such work, Volumes, Parts, Essays, Articles, or portions shall have been, or shall hereafter be composed under such employment on the terms that the Copyright therein shall belong to such Proprietor, Projector, Publisher or Conductor, and paid for by such Proprietor, Projector, Publisher or Conductor, the Copyright in every such Encyclopædia, Review, Magazine, Periodical work and work published in a series of Books or Parts, and in every Volume, Part, Essay, Article and portion so composed and paid for shall be the property of such Proprietor, Projector, Publisher or Conductor, who shall enjoy the same rights as if he were the actual author thereof and shall have such term of Copyright therein as is given to the authors of Books by this Act, except only that in the case of Essays, Articles or Portions forming part of and first published in Reviews, Magazines, or other Periodical works of a like nature after the term of twenty-eight years from the first publication thereof respectively the right of publishing the same in a separate form shall revert to the author for the remainder of the term given by this Act. Provided always, that during the term of twenty-eight years the said Proprietor, Projector, Publisher, or Conductor shall not publish any such Essay, Article, or portion separately or singly without the consent previously obtained of the author thereof or his Assigns: Provided also, that nothing herein contained shall alter or affect the right of any person who shall have been or shall be so employed as aforesaid to publish any such his composition in a separate form who by any contract, express or implied, may have reserved or may hereafter reserve to himself such right, but every author reserving, retaining or having such right shall be entitled to the Copyright in such composition when published in a separate form according to this Act without prejudice to the right of such Proprietor, Projector, Publisher, or Conductor as aforesaid.

XI. And it is hereby enacted, that the Proprietor of the Copyright in any Encyclopædia, Review, Magazine, Periodical work or other work published in a series of Books or Parts shall be entitled to all the benefits of the Registration in the Office of the Secretary to the Government of India in the Home Department, under this Act, on entering in the said Book of Registry the title of such Encyclopædia, Review, Periodical work, or other work published in a series of Books or Parts, the time of the first publication of the first Volume, Number or Part thereof, or of the first Volume,

Number or Part first published after the passing of this Act in any such work which shall have been published heretofore, and after the passing of the said Act of Parliament 3 and 4, William 4, C. 85, and the name and place of abode of the proprietor thereof and of the Publisher thereof, when such Publisher shall not also be the proprietor thereof.

XII. G. A. BUSHBY, Secy. to the Govt. of India.

Fort William, Home Department, Legislative,
the 13th March 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March 1847.

ACT No. — OF 1847 :

An Act for the encouragement of learning in the Territories subject to the Government of the East India Company, by defining and providing for the enforcement of the right called Copyright therein.

Whereas doubts may exist whether the right called Copyright can be enforced by the Common Law of England in those parts of the Territories subject to the Government of the East India Company into which the Common Law of England has been introduced :

And whereas doubts may exist whether the said right can be enforced by virtue of the principles of equity and good conscience in the other parts of the Territories subject to the Government of the East India Company :

And whereas for the encouragement of learning it is desirable that the existence of the said right should be placed beyond doubt, and that the said right should be made capable of easy enforcement in every part of the said Territories :

And whereas it is doubtful whether the Act of Parliament 5 and 6 Victoria C. 45, entitled "*an Act to amend the Law of Copyright*," although such Act extend to every part of the British Dominions, has made appropriate and sufficient provision for the enforcement in every part of the said Territories subject to the Government of the East India Company of the said right by proprietors thereof: and whether the said Act of Parliament has made provision for the enforcement of the said right by or against any persons not being subject to the jurisdiction of the Courts established by Her Majesty's Charter.

I. It is therefore hereby enacted, that the Copyright in every book published in the life time of its author within the said Territories after the passing of the Act of Parliament 3 and 4 Wm. 4 C. 85, entitled "*an Act for effecting an arrangement with the East India Company and for the better government of His Majesty's Indian Territories till the 30th day of April 1854*," shall endure for the natural life of such author, and for the further term of seven years commencing at the time of his death and shall be the property of such Author and his Assigns: Provided always, that if the said term of seven years shall expire before the end of forty-two years from the publication of such book, the Copyright shall in that case endure for such period of forty-two years; and that the Copyright in every

book which shall be published after the death of its Author shall endure for the term of forty-two years from the first publication thereof and shall be the property of the proprietor of the Author's manuscript from which such book shall be first published, and his Assigns.

II. And whereas it is expedient to provide against the suppression of books of importance to the public: It is enacted that it shall be lawful for the Governor General in Council on complaint made to them that the proprietor of the Copyright in any book published after the passing of this Act within the said Territories, has after the death of its Author refused to republish or to allow the republication of the same, and that by reason of such refusal such book may be withheld from the public, to grant a licence to such complainant to publish such book in such manner and subject to such conditions as they may think fit, and it shall be lawful for such complainant to publish such book according to such licence.

III. And it is hereby enacted, that a Book of Registry wherein may be registered as hereinafter enacted the proprietorship in the Copyright of books and assignments thereof, and licences affecting such Copyright, shall be kept in the office of the Secretary to the Government of India for the Home Department, and shall at all convenient times be open to the inspection of any person on payment of for every entry which shall be searched for or inspected in the said book, and that such Officer shall whenever thereunto reasonably required, give a copy of any entry in such book certified under his hand, to any person requiring the same on payment to him of the sum of and such copies so certified shall be received in evidence in all Courts and in all summary proceedings, and shall be *prima facie* proof of the proprietorship or assignment of Copyright or licence as therein expressed, but subject to be rebutted by other evidence.

IV. And it is enacted, that if any person shall wilfully make or cause to be made any false entry in the Registry Book aforesaid, or shall wilfully produce, or cause to be tendered in evidence any paper falsely purporting to be a copy of any entry in the said book, he shall be guilty of an indictable misdemeanour, and shall be punished accordingly.

V. And it is enacted, that after the passing of this Act it shall be lawful for the proprietor of Copyright in any book published, after the passing of the said Act of Parliament 3 and 4 Wm. 4 C. 85 to make entry in the Registry Book of the title of such book, the time of the first publication, and the name and place of abode of the publisher thereof, and the name and place of abode of the proprietor of the Copyright of the said book, or of any portion of such Copyright in the form in that behalf given in the Schedule to this Act annexed upon payment of the sum of to

and that it shall be lawful for every such registered proprietor to assign his interest or any portion of his interest therein, by making entry in the said Book of Registry of such assignment, and of the name and place of abode of the Assignee thereof in the form given in that behalf in the said Schedule on payment of the like sum; and such assignment so entered shall be effectual in Law to all intents and purposes whatsoever without being subject to any stamp or duty, and shall be of the same force and effect as if such assignment had been made by Deed.

VI. And it is enacted, that if any person shall deem himself aggrieved by any entry made under colour of this Act in the said Book of Registry, it shall be lawful for such person to apply by motion to the Supreme Court of Calcutta in term time, or to apply by Summons to any Judge of such Court in vacation for an order that such entry may be expunged or varied, and that upon any such application by motion or Summons to the said Court, or to a Judge as aforesaid, such Court or Judge shall make such order for expunging, varying or confirming such entry either with or without costs, as to such Court or Judge shall seem just, and the said Secretary shall on the production to him of any such order for expunging or varying any such entry, expunge or vary the same according to the requisitions of such order.

VII. And it is enacted, that if any person shall after the passing of this Act print or cause to be printed either for sale or exportation, any book in which there shall be subsisting Copyright without the consent in writing of the proprietor thereof, or shall have in his possession for sale or hire any such book so unlawfully printed without such consent as aforesaid, such offender if he shall have so offended within the local limits of any of the Courts of Judicature established by Her Majesty's Charter, shall be liable to a special action on the case in such Court, and if he shall have so offended in any other part of the Territories subject to the Government of the East India Company to a suit in the Zillah Court within the jurisdiction of which he shall have so offended, which shall and may be prosecuted in the same manner in which any other action of damages may be brought and prosecuted there, and if he shall so offend in any such last mentioned part of the Territories subject to the Government of the East India Company in which there is no Zillah Court, to a suit in the highest local Court exercising original Civil jurisdiction in such part of the said Territories.

VIII. And it is hereby enacted, that after the passing of this Act in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter under the provisions of this Act, against any person for printing any such book for sale, hire or exportation, or for selling, publishing or exposing to sale or hire, or causing to be sold, published or exposed to sale or hire, or for having in his possession for sale or hire any such book so unlawfully printed, the defendant on pleading thereto shall give to the plaintiff a notice in writing of any objections on which he means to rely on the trial of such action, and if the nature of his defence be that the plaintiff in such action was not the author or first publisher of the book in which he shall by such action claim Copyright, or is not the proprietor of the Copyright therein, or that some other person than the plaintiff was the author or first publisher of such book, or is the proprietor of the Copyright therein, then the defendant shall specify in such notice the name of the person who he alleges to have been the author or first publisher of such book, or the proprietor of the Copyright therein, together with the title of such book, and the time when and the place where such book was first published, otherwise the defendant in such action shall not at the trial or hearing of such action be allowed to give any evidence that the plaintiff in such action was not the author or first publisher of the book in which he claims such Copyright as aforesaid, or that he was not the proprietor of the Copyright therein, and at such trial, or hearing no other objection shall be allow-

ed to be made on behalf of such defendant than the objections stated in such notice, or that any other person was the author or first publisher of such book, or the proprietor of the Copyright therein than the person specified in such notice, or give in evidence in support of his defence any other book than one substantially corresponding in title, time and place of publication with the title, time and place specified in such notice.

IX. And it is hereby enacted, that after the passing of this Act in any such suit or action as last aforesaid brought in any Zillah Court or other local Court as aforesaid the defendant shall state in his answer all the matters which by the last preceding section the defendant in any suit or action brought in any of the Courts of Judicature established by Her Majesty's Charter is required to give notice of in writing.

X. And it is hereby enacted, that when any publisher or other person shall within the said Territories before or at the time of the passing of this Act but after the passing of the said Act of Parliament 3 and 4 Wm. 4 C. 85 have projected, conducted and carried on, or shall hereafter project, conduct or carry on, or be the proprietor of any Encyclopædia, Review, Magazine, Periodical work or work published in a series of Books or parts, or any book whatsoever, and shall have employed or shall employ any persons to compose the same, or any Volumes, Parts, Essays, Articles, or portions thereof for publication in, or as part of the same, and such work, Volumes, Parts, Essays, Articles, or portions shall have been, or shall hereafter be composed under such employment on the terms that the Copyright therein shall belong to such Proprietor, Projector, Publisher or Conductor, and paid for by such Proprietor, Projector, Publisher or Conductor, the Copyright in every such Encyclopædia, Review, Magazine, Periodical work and work published in a series of Books or Parts, and in every Volume, Part, Essay, Article and portion so composed and paid for shall be the property of such Proprietor, Projector, Publisher or Conductor, who shall enjoy the same rights as if he were the actual author thereof and shall have such term of Copyright therein as is given to the authors of Books by this Act, except only that in the case of Essays, Articles or Portions forming part of and first published in Reviews, Magazines, or other Periodical works of a like nature after the term of twenty-eight years from the first publication thereof respectively the right of publishing the same in a separate form shall revert to the author for the remainder of the term given by this Act. Provided always, that during the term of twenty-eight years the said Proprietor, Projector, Publisher, or Conductor shall not publish any such Essay, Article, or portion separately or singly without the consent previously obtained of the author thereof or his Assigns: Provided also, that nothing herein contained shall alter or affect the right of any person who shall have been or shall be so employed as aforesaid to publish any such his composition in a separate form who by any contract, express or implied, may have reserved or may hereafter reserve to himself such right, but every author reserving, retaining or having such right shall be entitled to the Copyright in such composition when published in a separate form according to this Act without prejudice to the right of such Proprietor, Projector, Publisher, or Conductor as aforesaid.

XI. And it is hereby enacted, that the Proprietor of the Copyright in any Encyclopædia, Review, Magazine, Periodical work or other work publish-

ed in a series of Books or Parts shall be entitled to all the benefits of the Registration in the Office of the Secretary to the Government of India in the Home Department, under this Act, on entering in the said Book of Registry the title of such Encyclopædia, Review, Periodical work, or other work published in a series of Books or Parts, the time of the first publication of the first Volume, Number or Part thereof, or of the first Volume, Number or Part first published after the passing of this Act in any such work which shall have been published heretofore, and after the passing of the said Act of Parliament 3 and 4, William 4, C. 85, and the name and place of abode of the proprietor thereof and of the Publisher thereof, when such Publisher shall not also be the proprietor thereof.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

NOTIFICATION.

Fort William, the 6th March, 1847.

Opium.—Notice is hereby given, that on Monday, the 22d of March, 1847, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1845-46, subject to the following Conditions, viz.

Produce of Behar Agency, ...	Chests 1,690
Ditto of Benares ditto, ...	„ 715

Total Chests, ... 2,405

CONDITIONS OF SALE

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause the 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,405 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 24th of March 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th March 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March 1847, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt

will be accepted in payment after 4 P. M. of Tuesday the 6th of April 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1845-46, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of six chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug, which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1845-46, will be brought to sale in the present season on or about the dates specified below:

EDUCATION NOTICE.

AN Examination will be held early in April 1847, in the College of Fort William, for the purpose of filling up existing vacancies in the Secondary or Military Class of the Medical College. All candidates will be expected to possess an adequate knowledge of the Hindoostanee language, to enable them to read and write it in the Persian or Devanagiri character.

2. All Interpreters of Regiments, and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidate under the age of fifteen and above that of twenty years: and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this that the above measure has been adopted.

3. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared, for transmission to the examiners of the College of Fort William.

4. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have upon recent occasions managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will, therefore, be exercised in examining the credentials of all future candidates.

6. All pupils must, as a condition of their appointment, reside within the college premises at all times, and never be absent from morning and evening muster without special leave.

7. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8. No candidate will be admitted to the school who is physically unfit for the duties of a soldier.

By order of the Hon'ble the President and Council of Education,

FRED. J. MOUAT, M. D., *Secretary.*

WELBY B. JACKSON, Esq., in the Chair.

Read the Resolution of the Annual General Meeting of 1st January last, viz. "Resolved as provided in Rule 25 that the Audit of the Accounts of the past year be postponed to the 1st Monday of March 1847, to enable the Managers to consider the quinquennial Report and the Accounts submitted to them by the Secretary and Accountant on the affairs of the Fund"

Resolved, that the Accounts of the Fund for the past year 1845-46 be approved and passed.

"At a Meeting of the Managers held on Thursday, 25th February, 1847, Present Messrs. W. H. Bell, G. A. Bushby, Geo. Udny, J. A. Dorin, J. J. Harvey, R. Walker, and R. Torrens.

"The Secretary's fourth quinquennial Report on the operation of the Fund and its state as on the 30th April 1845, was considered.

"It appearing from Statement A. that the surplus of the Unappropriated Fund, on 30th April 1842, amounted to 31,82,147, according to which the existing Rules adopted in that year allowed a Bonus to the Retirees of 1842-43 and subsequently, as well as an annual deduction from the Hon'ble Court's Donation, to the extent of the interest accruing from the surplus, which surplus has become diminished by the 30th April 1845 to Rs 21,87,530,— and it appearing to the Managers that the Bonus cannot be continued unless it be the intention of the Hon'ble Court of Directors to keep up that surplus in the Capital of the Fund to the sum it stood at in 1842, viz. Rs. 31,82,147, regarding it as the amount of the 31 Reserved Annuities which had lapsed to the Fund, and as provided in the Court's orders of date 27th May 1835, and

Rule 35 of 1836 framed in accordance therewith, "added to the *fixed Balance* of the Fund," and should accordingly therein appear as a permanent surplus—

"Resolved, therefore, that it be suggested to the Subscribers at their ensuing General Meeting on the 1st proximo, that the Bonus cannot be continued until the Hon'ble Court be made acquainted with the state of the Fund, and, as may be confidently expected, a Credit to the Fund be authorized of the deficiency which is about 10 lacks"

(Sd.) G. A. BUSHBY, *Chairman.*"

Resolved, with reference to the suggestion of the Managers, that the Hon'ble Court be made acquainted with the state of the Fund, and be requested to authorize a Credit to the Fund of the deficiency (which is about 10 lacks of Rupees) referred to in the Resolution of the Managers of 25th February 1847.

Carried unanimously.

Thanks being voted to the Chairman, the Meeting dissolved.

SUPPLEMENT TO

The Calcutta Gazette.

Published by Authority.

SATURDAY, MARCH 20, 1847

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,
THE 13TH MARCH, 1847.

The following Draft of a proposed Act was read in Council for the first time on the 13th of March, 1847.

ACT No. — of 1847.

An Act for establishing a Court of Subordinate Civil Jurisdiction in the City of Calcutta.

Whereas the jurisdiction of the Court of Requests for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal, is limited to suits brought for the recovery of Debts not exceeding 400 Sicca Rupees, and whereas it is not expedient that the jurisdiction of the said Court of Requests should be extended:

And whereas it is inconvenient to the people to be obliged to resort to Her Majesty's Supreme Court of Judicature in all suits for debt exceeding 400 Sicca Rupees, and in all other suits and actions whatsoever:

And whereas for remedy of the said inconvenience it is expedient to establish a new Court with jurisdiction over the subject matters of actions at law, and with power to make decrees upon such subject matters according to Equity and Good Conscience following the Law:

I. It is hereby enacted, that from and after the day of the Court of Requests for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal shall be abolished, except so far as regards suits pending therein at the time of passing this Act, which shall be proceeded in and determined as if this Act had not been passed, and that on the said day a Court for the exercise of original Civil Jurisdiction in the City of Calcutta shall be established, and shall be called the Subordinate Civil Court for the City of Calcutta.

II. And it is enacted, that the said Subordinate Civil Court shall consist of as many Commissioners as to the Governor of Bengal shall from time to time seem meet, and that each of the Commissioners sitting separately shall exercise all the jurisdiction and powers herein conferred upon the said Subordinate Civil Court, except the power of making Rules under Section XXV. of this Act. Provided always, that at least one of the said Commissioners shall be a Barrister of not less than five years standing.

III. And it is enacted, that one of the Commissioners being a Barrister of five years standing, shall be the Chief Commissioner.

IV. And it is enacted, that each of the Commissioners shall receive such Salary as to the Governor General in Council shall seem meet, respect being had to the qualifications of each.

V. And it is enacted, that it shall be lawful for the Governor of Bengal to appoint such and so many Ministerial Officers as to him shall seem necessary for the efficient performance of the business of the said Court, and that each of the said Officers shall receive such Salary as to the Governor General in Council shall seem meet.

VI. And it is enacted, that the said Subordinate Civil Court shall have jurisdiction over all causes of Action, for which an Action may be maintained on the Plea Side of the said Supreme Court, where the debt, damages, or value of the property for which such Action may be brought does not exceed the following amounts, that is to say, where the Action is brought, to recover any property for which an Action of Ejectment may be maintained in the said Supreme Court, the amount of Two Hundred Company's Rupees per annum, where the Action is brought for any malicious arrest, maliciously holding to Bail or for any other malicious prosecution, or for any Libel or Slander, or for any Assault, Battery, or false imprisonment, the amount of Three Hundred Company's Rupees, and in all other Actions the amount of One Thousand Company's Rupees.

VII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery of the unliquidated Balance of a Partnership Account, to the extent of Five Hundred Company's Rupees if the Plaintiff shall be content to limit his claim to the recovery of that amount.

VIII. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall also extend to the recovery, against any Executor or Administrator or other Representative of any deceased testate, or intestate person of any demand not exceeding the amount of Five Hundred Company's Rupees for any distributive share of any property under an intestacy, or of any legacy, or residue or share of a residue, under a Will, if the plaintiff shall be content to limit his claim to the recovery of that amount in respect of such share or residue or legacy, provided always, that the said Court by this Act established shall not have jurisdiction over any such demand for such share, residue or legacy if any suit shall at the time of preferring such demand be pending in the said Supreme Court for the Administration of the Estate, out of which such share, residue or legacy is demandable.

IX. And it is enacted, that it shall not be lawful for any plaintiff to divide any cause of action into two or more suits for the purpose of bringing the same within the jurisdiction of the said Subordinate Civil Court; but any plaintiff having cause of action for debt or damages above the value recoverable under this Act may abandon the excess, and thereupon such plaintiff shall on proving his case have a decree for an amount not exceeding such value, and such decree shall be in full discharge of all demands in respect of such cause of action.

X. And it is enacted, that the jurisdiction of the said Subordinate Civil Court shall, as regards the persons to be subject thereto, extend to all persons inhabiting or seeking a livelihood within the City of Calcutta.

XI. And it is enacted, that the said Court shall on all purely legal demands for which an Action at Law is maintainable, decide according to the Law to be administered in the Supreme Court, in the like cases between the like parties, provided that the defendant may in any Action for such legal demand allege and establish an equitable defence, and thereupon the said Court shall by its decree give the defendants the benefit of such defence to the same extent and upon the same principles of Equity as would be applied in the like case by the said Supreme Court on its Equity side, provided that such defence shall not involve a cross demand to an extent exceeding the sum of One Thousand Company's Rupees.

XII. And it is enacted, that the said Subordinate Civil Court shall exercise all the powers which are exercised by Her Majesty's Supreme

Court of Judicature in the issuing of process, and summoning and compelling the attendance of witnesses and the administering of oaths or solemn declarations and for punishing contempts, and all other powers which are exercised by the said Supreme Court for trial and determination and execution in Actions at Law, and that the said Subordinate Civil Court shall have and use an Official Seal.

XIII. And whereas it is conducive to the good administration of Justice that the respectable part of the public should be associated therein: It is hereby enacted, that the Governor General in Council may, by Proclamation, order that every or any Commissioner of the said Subordinate Civil Court shall, in all suits, or in any particular class of suits, and in all proceedings therein or in any particular proceeding therein, sit with one or more Jurors, and may in the said Proclamation lay down rules for the selection, summoning and compelling attendance of the said Jurors, and for enforcing the performance of their duty by such Jurors.

XIV. Provided always and it is hereby enacted, that the verdict of such Juror or Jurors shall be only for the information of the Conscience of the Court.

XV. And it is enacted, that the manner of commencing a suit in the said Subordinate Civil Court shall be as follows:

1. Each of the Commissioners of the said Subordinate Civil Court shall sit at stated hours for the purpose of receiving plaints.

2. Every plaintiff bringing a suit in the said Subordinate Civil Court shall, except as hereinafter excepted, appear in person before one of the Commissioners, and shall, orally or in writing, lay before such Commissioner the facts which constitute his claim.

3. The excepted cases in which the plaintiff shall be excused from appearing in person for the purpose of making the statement of facts mentioned in the last Clause, are the same as the excepted cases specified in Clause 15 of this Section, but the plaintiff shall in all cases be permitted to make the statement of facts, by an Agent provided he deposit in Court the sum of Fifty Company's Rupees.

4. The sum so deposited shall be held as a security for any sum or such part thereof as it will cover, which may be, or which may become due to the defendant, or to the Government, in respect of the matter of the suit, or in respect of the mode of conducting it: if nothing shall so be, or become due, the sum shall be repaid to the plaintiff.

5. If the plaintiff lays the facts before the Commissioner orally, the facts whether stated of his own accord or elicited by examination shall be reduced into form and written down by the Commissioner or by an Officer of the Court under his direction, and shall constitute the plaint.

6. If the plaintiff lays the facts before the Commissioner in writing, the written statement shall be corrected in form by the Commissioner, or by an Officer of the Court under his direction, if it requires such correction, and in substance if it in any respect disagrees with the statement of facts elicited by the examination of the plaintiff; subject to such correction the written statement shall constitute the plaint.

7. When the statement of facts constituting the plaint has been made, the Commissioner, if he is of opinion that the defendant or the matter of the suit is not within the jurisdiction of the Subordinate Civil Court, shall make a decree accordingly.

8. If the Commissioner is of opinion that the defendant and the matter of the suit are within the jurisdiction of the Subordinate Civil Court, he shall direct a writ of summons to be issued to the defendant.

9. The writ of summons shall contain a copy of the plaint, and an order to the defendant to appear before the Court on a specified day, and to bring with him any documents which he may have in his possession, of which the plaintiff, with the consent of the Commissioner, demands inspection, or which he the defendant may think conducive to his defence, and a list of such witnesses as he supposes may be necessary for his defence.

10. If the plaintiff satisfies the Commissioner that the defendant is likely to withdraw himself from the jurisdiction of the Subordinate Civil Court, the Commissioner may direct a warrant of arrest against the defendant to be issued together with the writ of summons.

11. If the defendant is arrested on the warrant he shall be brought with all convenient speed before the Commissioner, who may discharge him from custody if he gives sufficient security for his appearance, or if he deposits a sum which the Commissioner considers under all the circumstances of the case sufficient, or if he satisfies the Commissioner that he does not intend to withdraw himself from the jurisdiction.

12. On every day in which any of the Commissioner shall sit for the purpose of receiving plaints, all the plaints received shall be laid before the Chief Commissioner, who will distribute them among all the Commissioners, including himself.

13. In distributing the plaints the Chief Commissioner will endeavour to give to all the Commissioners a share of business which will occupy an equal portion of the time of each, and to give to each Commissioner those kinds of suits which he thinks each best qualified to decide.

14. Every plaintiff and defendant in the said Subordinate Civil Court shall appear except as hereinafter excepted in person, on the day specified in the writ of summons, and on every other day fixed for the appearance by the Commissioner.

15. A plaintiff or defendant may be excused from appearing in person,

16. But in all these cases the Commissioner may refuse to hold the party excused from appearing in person if he is not satisfied that the excuse is made in good faith and that the matter of the excuse exists in a sufficient degree to justify him in admitting it.

17. Whenever an Agent has been admitted in place of a party, such Agent shall be permitted to do all that the party might have done had he appeared, and shall be liable to be examined and cross examined in the same manner.

18. And the Commissioner may if he thinks fit order that the party excused shall be examined in any way in which a witness may be examined.

19. When the Commissioner has refused to hold any party excused he may order the Agent who makes the excuse to summon the party on whose behalf it is made on a specified day, and adjourn the proceedings to that day, or he may make a decree against such party after examining his Agent.

XVI. And it is hereby enacted, that as soon as the plaintiff and defendant are together before the Commissioner to whom the suit has been assigned, he shall proceed to take the pleadings and settle the demurrers and issues of fact.

XVII. And it is hereby enacted, that the manner of pleading shall be as follows.

1.
